A PEOPLE'S LIFE OF CHRIST.

This new Life of Christ ought to be as popular in our day as Farrar's was in his. I am recommending it everywhere. It seems just the Great Biography which this generation needs. Every chapter is a vivid picture. It is a clear and definite answer to the question "What is God like?"—*Bishop of Central New York.*

THE GOSPEL OF THE HEREAFTER (More than 80,000).

The Bishop of London says: "For the first time it makes the life beyond the grave so attractive as to be something to be looked forward to—I have just given away twenty copies. It has already comforted many stricken souls, and taken away the fear of death from many."
